27. Rescinding the contract
TSG shall be entitled to rescind the contract without notice if:
the contracting party is in default with its financial obligations;
• if the required official permits were not or will not be submitted to TSG or if the event has been prohibited by the authorities; in these cases the costs or loss of rent shall be borne by the contracting party;
• if TSG becomes aware of the fact that the planned event is inconsistent with the agreement, in breach of the legal statutes or likely to disturb the peace;
• if TSG is forced to shut down one or more event areas or the entire event facilities for longer periods of time due to force majeure or other circumstances. This also includes restrictions in the use of or access to the leased areas due to repairs or renovations or due to regulations or conditions imposed by the authorities. In these cases TSG shall make every effort – without prejudice – to find another solution. Claims for compensation shall be precluded in these cases;
• if bankruptcy or composition proceedings are instituted against the contracting party’s assets;
• if the contracting party is in default with payment for over 30 days under other agreements. No rights shall accrue for the contracting party towards TSG in such cases.

28. Cancellation of the contract by the contracting party
The contracting party is entitled to cancel the contract unilaterally by giving written notice under the following terms of cancellation.

29. Terms of cancellation
15 % of the expected rent (including value-added tax) shall become due for payment if the contract is cancelled up to 1 year prior to the event, 25 % for up to 6 months prior to the event, 50 % up to 3 months prior to the event and 100 % anytime thereafter.
In addition, TSG shall be reimbursed for all costs and expenses already accrued.

30. Liability
The contracting party shall bear the full risk of holding the event, including preparations for mounting, implementation and dismounting. The contracting party shall be liable for all damage – including consequential damage – caused by itself, persons it has appointed or employed, its
authorized agents, visitors or guests, regardless to whose disadvantage the damage may be. This shall specifically apply to:

- damage to the building and its inventory caused by the event;
- damage by bringing objects into the building as well as during mounting and dismounting work;
- consequences resulting from exceeding the agreed maximum number of visitors or providing an insufficient number of security police;
- all damage arising from vacating the premises late or in breach of the agreement, particularly due to being unable to rent the premises or only being able to rent the premises at a lower rent, including compensation for defamation of reputation and business reputation.

The contracting party shall expressly agree to employ qualified, professional staff.

The liability of TSG and the property owner for any kind of personal injury or damage to property shall be limited to damage caused intentionally or by exceptional cases of gross negligence; liability shall be precluded in all other cases. The lessee shall hold the lessor and property owner harmless from and against any claims in this respect.

The contractual partner shall be liable for ensuring that all data storage media handed over to TSG – such as USB sticks and SD cards etc. – are free of viruses, regardless of whether they were submitted by the partner directly, by his/her staff, by those working on his/her behalf, by his/her authorised representatives, or by participating individuals or speakers. Hence, the contractual partner shall be held liable for any direct or consequential damages or losses incurred. In case of doubt, TSG reserves the right to refuse receipt of any such medium.

31. Accidents / Insurance

TSG shall not assume any liability whatsoever for accidents involving users of or visitors to the leased premises. The contracting party acknowledges that TSG has taken out liability insurance (organizer liability) providing coverage in the amount of EUR 7,5 million per claim (physical injury and damage to property); this amount is subject to the terms and conditions of insurance applicable in Austria. The contracting party shall be charged a reasonable share of the insurance premium. Any additional coverage requested by the contracting party shall be discussed with TSG.

Generally this liability insurance does not cover damage inflicted on TSG. It is therefore recommended to take out insurance for such claims.
32. Lost objects
TSG shall not be responsible for objects lost by the contracting party, its employees, authorized agents, visitors or guests during or in connection with events; this shall also apply to theft. Property insurance (e.g.: theft, burglary and fire) must be taken out by the organizer. If necessary, adequate insurance can be provided upon request. TSG shall be entitled to control the above mentioned persons to prevent or provide proof of any offenses involving property. The contracting party shall provide a security deposit in cash in an amount to be specified by TSG to cover any damage that may be caused by the above mentioned persons.

33. Objects brought onto the premises
TSG shall not assume any liability whatsoever for objects brought into the SALZBURG CONGRESS CENTER. The risk shall be borne by the contracting party, who shall indemnify and hold TSG harmless against any third-party claims. TSG shall not provide any guard service.

34. Technical breakdowns
TSG shall not be responsible for technical breakdowns or interruptions or failure of the power supply (electricity, water, heat, etc.), unless caused by willful or gross negligence on the part of TSG’s employees or authorized agents, or for any operational breakdowns.

38. Immediate measures
If the contracting party or its authorized agent are absent from or unavailable prior to or during the event or utilization of the leased premises, TSG shall be entitled to have any measures it deems appropriate and necessary taken at the contracting party's liability, risk and expense without advance notice to the contracting party.

39. Service
All documents shall be mailed with legal effect to the address provided by the contracting party in writing; the contracting party shall bear the risk of transport.

40. Compensation
The contracting party shall not be entitled to offset its contractual obligations against alleged or de facto counterclaims.

41. Assignment of rights
The contracting party shall not be entitled to assign any rights (particularly lease rights) or claims, in whole or in part, gratuitiously or against payment to third parties or to have third parties exercise such rights without TSG's written consent. If TSG consents to the assignment of rights, the contractual partner as well as the third party shall be jointly and severally liable for any obligations towards TSG.

42. Employees
All companies working at or commissioned by the SALZBURG CONGRESS CENTER are obligated to comply with the effective labor laws.

43. Laesio enomis
Both parties waive the right to object against a breach exceeding or falling short of half of the true value.

44. Inspections
The contracting party understands that TSG is entitled to inspect the premises and areas used by the contracting party during the term of the agreement, unless such inspection significantly impairs the purpose of the agreement or the contracting party's rightful interests. The contracting party shall not be entitled to perform inspections on its own without prior agreement.
45. Stamp fees and legal fees
Any stamp fees or legal fees accruing from this agreement shall be borne by the contracting party.

46. Applicable law, place of performance and jurisdiction
All agreements shall be governed by and construed in accordance with Austrian law. The German version of this Agreement shall prevail for all matters of interpretation and construction. Salzburg shall be the place of performance and payment for any and all obligations arising from this agreement. Any disputes shall be settled by the court in Salzburg having subject matter jurisdiction.

47. Limitation
The contracting party shall file any claims it may have against TSG in writing within a period of 6 months after the end of the event, otherwise they shall be barred by the statute of limitations.

48. Waste disposal
Based on the legal provisions, the organizer shall ensure that any waste accumulating during the event or during mounting and dismounting work is disposed of. If the contracting party fails to fulfill this obligation, TSG shall be entitled to have the waste disposed of at the contracting party's expense.

49. Cleaning
If the contracting party requests basic cleaning or intermediate cleaning, TSG shall have such cleaning performed on behalf and at the expense of the contracting party. The premises shall be cleaned by a company commissioned by TSG. A one-time cleaning of the leased premises before starting to mount is included in the rent.

50. Tape
Only the types of double-sided adhesive tape approved by TSG shall be used to tape floor coverings, decorations, etc.
51. Floor coverings
Only loose carpeting or carpet tiles may be used to cover floors with carpeting. No adhesive floor coverings or carpet tiles may be used. The only tape that may be used is the adhesive tape specified in section 50, which shall be completely removed by the contracting party after the event.

52. Parking
No parking is allowed in the immediate surroundings. A loading zone is available in the Auer spergstrasse, although parking is not permitted in this zone.

53. Safety regulations, accident prevention and other laws and official regulations
The contracting party shall observe all of the statutory, official and other accident prevention regulations in effect when mounting and dismounting and during the event. This also includes any safety regulations issued by TSG. The contracting party shall be responsible for the deployment of police, building police, fire department and ambulance. Any costs arising for this purpose shall directly be borne by the contracting party.
